- ◆ Your friend could get very sick right away after eating a tiny bit of a food he is allergic to.
- ◆ He would need to take his medicine very quickly and to go to the hospital.

How can I help a friend who has food allergies?

Protect A Life
From Food Allergies

What does it mean to Be a PAL?

1. Food allergies are serious. Don't make jokes about them.
2. Don't share your food with friends who have food allergies.
3. Wash your hands after eating.
4. Ask what your friends are allergic to and help them avoid it.
5. If a friend with food allergies becomes ill, get help immediately!

What would you do?

- ◆ Your friend, Kim, has a food allergy.
- ◆ As you and Kim walk out of the cafeteria, she says her stomach hurts.
- ◆ You ask her to play with you at recess, but she says she wants to lie down.
- ◆ She says it feels like there is something stuck in her throat.

A PAL would...

- ◆ Get an adult right away!
- ◆ Tell the adult you think Kim might be having an allergic reaction.

What would you do?

- ◆ You and Kim are at a birthday party.
- ◆ Max offers Kim a piece of cake.
- ◆ Kim says “No thank you, I have a food allergy.”
- ◆ Max says, “Come on and have some, it’s probably OK.”

A PAL would...

- ◆ Tell Max that even one bite of the wrong food could make Kim sick.
- ◆ Ask Kim if there is something else she can eat.

What would you do?

- ◆ Two kids in your class are allergic to milk and peanuts.
- ◆ Before school, you ate peanut butter toast and drank a glass of milk.

A PAL would...

- ◆ Wash their hands and face before leaving for school.
