

HOW TO TAKE PART IN THE TEAL PUMPKIN PROJECT® AT YOUR SCHOOL

Help create a safer, happier Halloween for all by following these simple steps.

1

PROVIDE NON-FOOD TREATS IN YOUR CLASSROOM TO CELEBRATE HALLOWEEN

- Non-food options, like glow sticks, promote inclusion for trick-or-treaters with food allergies or other conditions.

2

HAVE STUDENTS PAINT OR COLOR TEAL PUMPKINS

- Paint a real pumpkin teal, using acrylic or spray paint.
- Or, download a coloring sheet from FARE's website.

3

PLACE THE TEAL PUMPKIN IN YOUR CLASSROOM, SCHOOL ENTRANCE OR SEND HOME WITH STUDENTS

- This spreads the message of creating a safer, happier Halloween for all.

4

DISPLAY A FREE PRINTABLE SIGN OR PREMIUM POSTER FROM FARE IN YOUR CLASSROOM

- This will help explain the meaning of your teal pumpkin.

5

EMBRACE THE TEAL!

- Teal is the color of food allergy awareness. It has been used to raise awareness about this serious medical condition for nearly 20 years.
- Spread the word to your students to grow this movement!
